

Dear Parents and Carers,

Once again we are very lucky to have the ongoing support of Rory and Gypsy Togo who offer their time so readily to our school and our students. Rory will lead, compose and teach a number of dances to our Indigenous students this term. We are also grateful to Miss Therasa Trew who will be assisting with dance as well. Gypsy will be leading a number of activities designed to promote and celebrate our rich culture.

The first practise session with Rory will be this Friday the 10th May at 8:00am in the school hall.
