Things to remember...

In addition to the programmed activities, children have access to loads of other leisure and learning opportunities, both indoors and outdoors. Please note that cooking activities are meant for sampling, and are not sufficient for lunch. We only provide lunch if it is stated "for lunch" on the program.

Monday 8th – Henny Penny Hatching ~ delivered in the morning; we observe and care for chicks as they hatch from the incubator. We have this for the entire school holidays, giving children ample opportunity to be involved in the care of the chicks.

Tuesday 9th - PJ Day ~ this is a **fundraiser for Asthma Australia**. We ask for a **gold coin donation** or whatever you can afford, would be greatly appreciated. **This is a registered event.**

Wednesday 10th & 17th - Wheels Wednesday ~ children may bring their wheels along to ride when there are 2 staff on site to supervise, and programmed activities are complete.

Tuesday 16th – We explore another country, Greece. Children may try Moussaka.

Suitable Clothing

Please ensure your child/children wear appropriate clothes and footwear. **Dress warmly. Closed in shoes, long pants/trousers, jumpers & jackets.** It is also a good idea to send a change of clothes in case we go for a walk and get caught in the rain. Your child's comfort is important.

Behaviour

We have clear guidelines, which are prominently displayed. All children are encouraged to be responsible for their own behaviour, respectful and caring of others and the facilities provided.

WHS

In the interest of good health for all people on site, please do not send sick children to Vacation Care. If your child has a health care plan authorised by their GP, please ensure we have a copy.
