Dear Parents/Guardians

THE SEEDS PROJECT

At John Wollaston Anglican Community School, we are committed to supporting our parent body. The SEEDS (Strength/Empowerment/Engagement/Development/Success) Project will provide an important forum for parents to meet, discuss topics of interest and gain support from one another, as well as hear from experts and guest speakers. Our aim is to grow a stronger school community, which is characterised by mutually supportive relationships and a commitment to enhance the educational opportunities for all students.

On behalf of the team at John Wollaston, I would like to invite you to attend our inaugural SEEDS Project forum on Thursday 27 July 2017 from 6:00pm to 7:30pm in the Technology Centre.

At this event we will focus on well-being and hear from Denver D'Cruz and Ciara King from Inclusion WA on the topic of 'Social Role Valorisation'. Hear how this simple idea can positively impact you and your children into the future. David Thomason, Club Development Officer at the City of Armadale will also be in attendance to tell us about the terrific opportunities available in our local community.

Come along to hear some inspirational speakers and share supper with other interested John Wollaston parents. A light supper will be provided by our wonderful Hospitality students.

Please complete the attached RSVP and Survey form and return it to me no later than 20 July 2017. I look forward to working with you to ensure that The SEEDS Project becomes a truly valuable resource for the John Wollaston community.

Yours sincerely

ALICE ALIBRANDI
HEAD OF INCLUSIVE EDUCATION
