

Glen Osmond Primary School

Volunteer Opportunities – Expression of Interest.

How would you like to help at Glen Osmond PS this year?

Dear Parents/Caregivers,

Glen Osmond Primary is always a busy and 'happening' place! There are lots of opportunities for parents and carers to be involved in the life of the school and to play an active role in their children's learning. We always appreciate the generous contribution of parents in helping out across all areas of the school.

We ask you to nominate the activities you would like to be involved in at GOPS this year. **This is an expression of interest only**, and by ticking the boxes below we understand that you are interested and that you would like to know more about it before committing.

These expressions of interest could be for yourself OR on behalf of another family member ie partner, spouse, grandparent etc. You can let us know this detail when we contact you. You are welcome to tick a number of boxes.
