PLENARY 2020

The themes for discernment that will shape the next phase of preparation seek to capture what people across Australia are yearning for.
 The 6 National Themes for Discernment are: *Missionary and evangelising; Inclusive, participatory and synodal; Prayerful and Eucharistic; Humble, healing and merciful; A joyful, hope-filled and servant community; Open to conversion, renewal and reform.*
 More than 100 recurring subject areas that describe what one might call the 'messy reality of Catholic life in Australia today' were distilled into these themes for discernment. There was a clear desire expressed for the Church to renew herself and focus on the person of Jesus Christ.

A WORD OF POPE FRANCIS

"Jesus tells his disciples straight out, 'You give them something to eat'. We can imagine the thoughts that went through their minds. 'We don't have enough bread for ourselves, and now we are supposed to think about others? Why do we have to give them something to eat, if they came to hear our Teacher? If they didn't bring their own food, let them go back home, it's their problem; or else give us some money to buy food'. This way of thinking is not wrong, but it isn't the way Jesus thinks. He will have none of it: 'You give them something to eat'. Whatever we have can bear fruit if we give it away – that is what Jesus wants to tell us – and it does not matter whether it is great or small. The Lord does great things with our littleness, as he did with the five loaves. He does not work spectacular miracles or wave a magic wand; he works with simple things. God's omnipotence is lowly, made up of love alone. And love can accomplish great things with little."

(Homily Rome, June 23)
