

ST ALOYSIUS

CATHOLIC COLLEGE

1st July 2019

Dear Families

Further to our correspondence on Friday regarding an accident at the Huntingfield Campus, we would like to update families on the condition of the students involved and the action taken by the College.

The two students involved, Chloe & Stella, are both doing well. Chloe was released from hospital on Friday night and is expected to return to school prior to the end of term. Stella underwent an operation on Saturday on her foot. The operation went very well and she was released from hospital yesterday.

Brendan has visited the family and passed on our best wishes as the girls recover. The family would like to thank the College community for the overwhelming amount of support they have received over the past few days.

Staff on both campuses were briefed this morning and the matter was discussed with students at the start of the day. Students were given the opportunity to meet with key staff if they felt they would like to discuss the incident further. We have also been in contact with the bus company to follow up on the wellbeing of the bus driver involved.

Parents/guardians are welcome to contact Joe Sandric on 0429 535 704 if they have any concerns about the impact this incident may have on their children.

Yours sincerely

Mr Brendan Gill
Co-Principal

Mr Joe Sandric
