

106/LE

1 July 2019

St. Aloysius Catholic College  
Nautilus Grive  
Huntingfield TAS 7055

Dear Madam/Sir,

**Metro Tasmania Services – Monday 22 July**

Metro Tasmania has been advised that Monday 22 July is a Professional Learning Day for state schools from kinder to grade 10. Students will not be attending state primary and high schools on this date. The senior secondary colleges, and a limited number of non-government schools will be open as normal.

Metro-operated general access and school bus services for your school will operate as normal, however please note that due to forecast lighter traffic conditions, services may be running earlier than normal en-route. More detailed service information for the Hobart area for 22 July will be made available on the Metro website during the upcoming vacation period.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "Chris Breen".

**Chris Breen**
