## CATHOLIC COLLEGE

25<sup>th</sup> July 2019

TO: Kindergarten Parents/Guardians

Dear Parents/Guardians

### Re: Marine Discovery Centre

All of the Kindergarten classes will be heading to the Marine Discovery Centre, in Woodbridge during August. The centre provides excellent learning opportunities for students in areas of the Australian Science Curriculum and is connected to our Term Four inquiry 'The Sea'.

Whilst at the centre, students will have the opportunity to view large marine species in the big water tank, interact with smaller marine species in the touch tanks, participate in investigating sharks and create their own marine art.

- Date:** Kindergarten White – Tuesday 13<sup>th</sup> August  
Kindergarten Green – Thursday 15<sup>th</sup> August  
Kindergarten Blue – Monday 19<sup>th</sup> August
- Time:** Depart school at 9.30am and returning to the College at 2.30pm
- Location:** 3509 Chanel Highway, Woodbridge
- What students need to bring:** Students will need to have their school bag packed with a large drink and their lunchbox (with plenty of food for recess and lunch). Students are required to wear their school uniform and sturdy shoes.

We will require 3-4 parents/helpers per class to accompany us on this excursion. There will be room on the school bus or alternatively you can meet us at the centre. It is **compulsory** that all parent helpers/volunteers hold a current Working with Vulnerable People registration card. If you are able to join us, please let your class teacher know as soon as possible.

Yours sincerely
