

ST ALOYSIUS

CATHOLIC COLLEGE

3rd December 2019

Dear Parents & Guardians,

As a part of Photography and Digital Media, students have been learning about the process of creating stop motion animations. They have explored techniques by famous animators and created their own animation using the techniques they have learned.

Wes Anderson is an American filmmaker and is known for his distinctive visual narrative and style. Students have been learning about this filmmaker and his techniques. Students have the opportunity to view his animation *Fantastic Mr Fox*.

Due to the rating of the film *Fantastic Mr Fox* as PG we require parental permission for your child to view this film.

The plot synopsis for the film is: *Mr and Mrs Fox live a happy home life with their eccentric son Ash and visiting nephew Kristofferson. That is, until Mr Fox slips into his sneaky old ways and plots the greatest heist the animal world has ever seen. Based on the beloved, best selling book by Roald Dahl.*

If any parent/guardian would not like their son/daughter to watch this film, would you please send a note or email to their Photography and Digital Media teacher. Your child will then be provided with alternative work during the showing of the film.

Yours sincerely,
