

ST ALOYSIUS

CATHOLIC COLLEGE

11th February 2020

Dear Parent/Guardians

As part of our assessment program at St Aloysius Catholic College, all children in Prep will be involved in individual-based assessments during February.

The dates for the individual based assessments will be between 11th February and 21st February.

These assessments are not tests of any type, rather they are an opportunity for the teachers to work individually with students in order to gain an understanding of their strengths and needs.

As it is imperative for the teacher to work with the student on a one to one basis there will be relief teachers in all Prep classes on these days. The classroom teachers, however, will be constantly around due to taking children in and out of the classroom for the assessments. For the most part we have structured the relief in half days to ensure continuity for the students at the start of the year.

Please do not hesitate to contact the classroom teacher or Susan McGann if you have any questions.
