

17 February 2020

Dear Student of VET and Parents,

**Vocational Education and Training (VET) Information Evening
7:00pm to 8:30pm, Thursday 5 March.**

I write to formally invite you to a **Vocational Education and Training (VET) Information Evening** on Thursday 5 March, 7:00pm to 8:30pm in the Don Bosco Theatre at the **Glenorchy Campus of Guilford Young College**. This invitation is being extended to all students enrolled in VET courses being delivered by Guilford Young College RTO 1129. It is a requirement of your enrolment that parents attend such an information evening to ensure that the demands of the courses are fully understood.

The gathering is at Guilford Young College because it is the Registered Training Organisation providing the Quality Assurance for all enrolled VET students regardless of the College to which they belong. The purpose of the Information Evening is to provide details of courses and work placements for students enrolled in VET courses.

All VET teachers will be present to meet with you to explain individual programs. There will also be an opportunity for you to view training facilities at GYC where most students will have the opportunity to complete their certificates.

I must emphasise that this is a compulsory requirement of student enrolment in a VET course and that at least one parent or guardian should attend.

We look forward to welcoming you to our Information Evening gathering at Guilford Young College and introducing you to the world of Vocational Education and Training. Access to the campus is either via Bowden Street or Mill Lane.

Yours faithfully,

Craig Deayton
Principal
