

ST. ALOYSIUS

CATHOLIC COLLEGE

27th March 2020

Dear families,

As announced on Schoolstream earlier today, in accordance with the recommendations from the Premier, Mr Peter Gutwein, Catholic Education Tasmania (CET) have asked families, where possible, to keep children at home from school with effect from Monday, 30th March 2020 until the end of term.

As a result of this request, families are asked to please **collect student books and equipment between 3.30pm – 4.30pm today** from your respective Campus.

During week 9 of term 1, teachers will follow our usual timetabled lessons for the week. Students are encouraged to logon to Fides or Seesaw and to complete any current work. During this time, staff will be trialling the use of some additional functions in the Fides and Seesaw platforms, which will support learning from home. Due to the rapidly changing circumstances we face, staff will not have the capacity to provide individual support at this stage.

Staff will be developing the full online resources further during the Student Free Days from Monday, 6th April to Thursday, 9th April 2020.

During the course of next week, further information will be provided for students and parents about learning online at home.

We appreciate your patient support and understanding in these unprecedented circumstances.

Kind regards

Mr Joseph Sandric
Acting Principal
