TO: KINDERGARTEN BLUE

Dear Parents/Guardians

Re: BORONIA BEACH EXCURSION

This term Kinder Blue will be visiting our nearby Boronia Beach once a fortnight, to connect with Country and explore this amazing nature play environment. Current research is emphasising the importance of outdoor learning and children exploring their natural environment as this has been shown to benefit children and contribute to improving their learning, health and wellbeing. Kinder Blue will be walking to and from Boronia Beach and will engage in a wide range of nature-based learning experiences whilst there. We then reflect on our learning upon returning to the classroom and conduct further inquiries and research as part of this ongoing learning process.

Class:	<u>Kindergarten Blue</u>
Date:	Every fortnight commencing in Week 2 Thursday 30 th July, Thursday 13 th August, Thursday 27 th August, Thursday 10 th September
Time:	Departing 12.15pm after an early lunch and return to the College at 2.30pm
Location:	Boronia Beach, Blackmans Bay
What students need to bring:	Drink bottles are necessary as well as a warm coat
Staff contact:	belinda.frost@catholic.tas.edu.au

This excursion is weather dependent and parents will be notified beforehand if a cancellation occurs, due to the predicted forecast.

Yours sincerely

Mrs Belinda Frost
Kindergarten Teacher

Mr Joe Sandric
Acting Principal
