

ST ALOYSIUS

CATHOLIC COLLEGE

10th September 2020

Dear Parents/Guardians

The Grade 5 and 6 students are currently participating in the Primary Catholic Schools Netball weekly roster. On Friday 18th September, we will play host to the students and staff from Sacred Heart Geeveston and St James College Cygnet, for a football and netball round robin day. Both of these schools do not participate in the weekly roster.

The round robin day provides an opportunity for our students to socialise with students from two of our neighbouring primary schools while playing football and netball in a fun and enjoyable environment.

The netball games will be played on the courts at the Huntingfield Campus and the football games will be played at both the Huntingfield Campus Oval and the Kingston Campus Oval. Games will commence at 9.00am and conclude by 2.45pm.

Students are to wear their full school sports uniform to school on the day and they will require a cut lunch and a drink.

Please ensure your child has any necessary medication that they may require.

Please do not hesitate to contact me if you have any queries.

Yours sincerely

Mrs Nicole White
HPE Teacher

Mr Joseph Sandric
Acting Principal
