CATHOLIC COLLEGE

11th February 2021

Dear Parents & Guardians

VET Construction

VET Construction lessons commenced at GYC on Tuesday, 9th February 2021. Feedback received was that students had a great first day.

Workshop lessons are at Guilford Young College, Barrack St Campus, every Tuesday middle block. These sessions are during scheduled Huntingfield elective lessons. Therefore, students will not be missing core subject time. Students will be transported to Guilford Young College departing St Aloysius at 10:30am in a taxi, and will be departing Guilford Young College to St Aloysius at 12:30pm in a taxi.

Students will be required to complete some of their theory content at St Aloysius in Week B in their single lesson.

Students are to wear College sports uniform on Tuesdays and will be briefed by GYC staff as to any extra safety equipment required for this course.

If you have any questions or concerns with any of these arrangements, or your child's progress, please feel free to contact me at Natasha.HarrisW@catholic.tas.edu.au or phone 62290100.
