## CATHOLIC COLLEGE

23<sup>rd</sup> February 2021

Dear Parents/Guardians

As part of our College's Outreach Program, the Junior Campus is once again involved in the Biscuit Drive. This program helps our local community through the non for profit organisation of Kingborough Helping Hands. Each week a class is rostered on to bring a disposable container of homemade biscuits or slice to school on a **Thursday**. The donations are then collected from the classroom and distributed to Kingborough Helping Hands. In 2021, Helping Hands are happy to once again accept homemade items but also understand that during a busy week it can be hard to find the time to bake. As the organisation are regularly providing hampers to families in need, they are happy to continue to accept supermarket items that may contribute to a hamper. Useful items include pantry staples, children's lunchbox snacks or bathroom items. If baking a homemade item please avoid nuts and nut products.

We have been running our biscuit drive as part of our College's Outreach Program for the past few years and Kingborough Helping Hands have been overwhelmed with the generosity and thoughtfulness of our College community in reaching out to help others who are in need.

The roster is listed below and a reminder will be sent out the week of your child's class involvement in the program.
