NOTICE TO ALL PARENTS

It has come to our attention that children catching the buses from St Aloysius (Kingston) campus to St Aloysius (Huntingfield) campus and return believe that the inter-campus bus is a free bus.

This is not correct, and children, unless, they are transferring to another bus company, (Roberts or Daniel Wisby) should be paying on the first Wisby bus they are travelling on in the afternoon. A sheet of 10 tickets is \$14.40 or \$1.80 for a single ticket.

If children transfer either to or from another bus company (Roberts or Daniel Wisby), then they should also have a transfer pass to show the other bus driver. These can be obtained from the Dept State Growth website.

Yours sincerely

Douglas D Wisby
